I support the submission of this enrollment application on behalf of the school I represent. I understand that a financial commitment is being made, as required for our students and teachers to participate, and that RiverQuest reserves the right at all times to complete all or part of a scheduled field experience on a vessel at dock, in the event of inclement weather, unsuitable river conditions, or unforeseen mechanical difficulty. I acknowledge that refunds based on individual student non-attendance are unable to be made by RiverQuest.
